Football

Different, that is one word that can be used to describe the 1993 Crusader football campaign. New alignment for the MAC gave the Crusaders schedule a new look, with the Lycoming game being moved to the first of the season. Different in that the Crusaders beat Lycoming during the regular season, but also finished with a 6-4 record, which is more losses than any of the seniors can recall.

The four losses came against formidable opponents. Two of them were to nationally ranked teams, Washington and Jefferson and Wilkes.

Highlights of the season included senior Pete Borriello gaining over 1,000 yards career rushing and two MAC Academic honorees Senior Tom Leibensperger and Junior Jamie Ott.

Other post season honors included twelve Crusader gridgers being named to MAC Commonwealth League All-Star teams. First team honorees

were: Seniors Pete Borriello, James Hickey, Karl Kazmierczak, Mike Rehrig and Joe Shimko-Juniors C.J. Hoffman and Henry Quinlan. Named to the second team were: Seniors John Heim and Phil Massenat-Juniors Mike Gerhart, Steve Leggett and John Thomas.

Heim and Shimko were also selected Third Team NCAA Division III All-Americans according to Don Hansen's Football Gazette.

The 1994 Crusaders can look forward to the return of the formentioned juniors, along with some noted others. On defense, 1993 team sack leader Mike DiGrigoli and inside linebacker Tim Boyne are expected to return. For the offense, juniors quarterback Erick Hackenberg and Jamie Ott along with sophomores Brian Young and Chris LoScalzo will provide the scoring for the Crusaders.

Soccer

A record breaking season, that is how the Susquehanna Mens Soccer 1993 Season can be described. Second year coach Steve Reinhardt guided the booters to an 11-6 record, surpassing the school record for wins. The team also set a school record for most goals in a season at 39.

Reinhardt was named MAC Commonwealth League Coach of the Year after the Crusaders finished third in the division with a 5-2 record. Also gathering post season honors were Senior Ron Cochran as a Commonwealth League All-Star, Chad Smith and Scott Black, both juniors and freshman Chris Herdman as honorable mention picks.

Defending the goal was senior Greg Sawicki. He was aided by defenders Black and sophomores Jon Bingaman and Ed Spayd.

The Crusaders will only lose three seniors, Cochran, Sawicki and Jeff Shields. This will almost assure Crusader soccer fans another exciting season in 1994.

Field Hockey

Trivia Question: What does having two of the top five MAC scorers on your team mean? Coach Connie Harnum's answer would be success. With help from Tracey Corrigan and Cheryl Irvine, the Lady Crusaders accomplished two firsts: (1) They captured the first ever field hockey Commonwealth League Championship and (2) they qualified for the NCAA Division III Championship Tournament for the first time ever.

Corrigan, a junior, led the team in scoring with 15 goals and one assist. Irvine was second with nine goals and six assists. Both women were named to the MAC Commonwealth All-Star Team. As a sophomore, Irvine already holds the record for career scoring.

Four other team members also earned post season honors, not only for field work, but also for school-

work. Named to the MAC Fall Academic Honor Roll were Senior Ang Walter, juniors Michelle LeFevre and Cheryl Long and sophomore Cassie Henry.

The outlook for the next year's squad looks to be positive with the loss of only four seniors: Ang Walter, Jen Snook, Allison Grebe and Deidre Casey. Although the experience of these four players will be missed one can almost assume an underclassman will step up and accept the challenge.

Volleyball

Crusader Women's Volleyball have a new look and a brighter future.

Finishing their 1993 season with a 16-12 record under new Head Coach Bill Switala was quite an accomplishment. The team's average height was only 5'6" and four hitters never hit before.

The team is made up of two seniors, Tara Bulvin and Shannon Lang; one junior, Julie Dills; and six underclassman.

Lang, team captain and four year letter-winner, led the team with 1,227 assists and 147 service aces in 339 games as a senior setter. Bulvin, a three year letter-winner and middle hitter has collected 184 kills and 48 blocks.

Coach Switala is losing only two seniors and gaining six experienced underclassmen. Freshman hitter Nykki Kreps(97 kills), sophomore Michelle Liechty(198 kills and 167 digs) and Missy Fetsko(150 digs) had leading statistics.

Congratulations to team members Lang(Most Valuable Player), Liechty(Best Defensive Player) and Dills(Most Valuable Defensive Player) who were voted by fellow team members and Coach Switala.

New taller players mixed with those returning should help bring an even more successful season that the next.

Standing: Coach Bill Switala, Samantha Buley, Brande Martin, Nykki Krepps, Dana Brennan, Chris Jansky, Asst. Coach Theresa Stanko. **Kneeling** Tara Bulvin, Missy Fetsko, Tony Monanus, Shannon Lang, Julie Dills, Michelle Liechty.

Focus Staff

Focus is funded, edited, and produced by Susquehanna students. Its function is to publish the best poetry, fiction, essays, artwork, and photography by currently-enrolled students. The student staff chooses works and prepares them for publishing by a printer the Managing Editor contracts. Participation in all *Focus* activities is open to all interested students

The Investment Club

The Investment Club was established with the efforts of George Day and Stan in the Fall of 1990. It was created for those students who have an interest in the stock market. The club began with five original members, and has grown steadily ever since. Dean Bellas was an advisor for the first year, and then Dr. Growney took over the position.

During the Investment Club weekly meetings, current topics involving the stock market are discussed, and guest speakers with relevant work experience are often present. Members participate in a game involving the Wall Street Journal in which each student has a small portfolio of stocks with real money.

At each meeting, a different club member speaks about a particular interest in investments. Every year, the Investment Club takes a trip to the New York Stock Exchange.

AMY McCLELLAN — MEMORIAL

January 11, 1975 — June 3, 1994

Amy was active in every aspect of life in which she could possibly be involved. She loved to help others and she thrived on doing her best. She received numerous academic awards throughout her high school days including valedictorian of Middleburg High School's Class of 1992, distinguished honor status every marking period from seventh grade through high school graduation, and several musical awards. In her high school yearbook, for which she served as co-editor, her motto for her life was "be all that you can be." She was very active in music and drama activities in high school. Despite having cystic fibrosis with severe lung involvement, she worked extremely hard and was able to represent her band each year at Susquehanna Valley Band (playing the flute) and participated in district chorus two out of three years while in high school.

Amy looked forward to continued involvement when entering Susquehanna University.

As a freshman, she carried 18 credits in the Honors Program and attended meetings nearly every night. Among the activities she was involved with were Big Brothers/Big Sisters, Intersivity Christian Fellowship, and Voices of Praise. She was inducted into Alpha Lambda Delta in March of 1993.

During her Sophomore year she worked with the Orientation Team and was a member of the chorus in the musical production, "Oklahoma." Due to the continued deterioration of her health, Amy was unable to realize her dream of participation in a college musical.

During the fall of 1993, Amy was listed for a double lung transplant at Pittsburgh Children's Hospital. She continued her studies at home that semester and the spring semester of 1994. She was very active in a letter-writing campaign to encourage organ donations. Her letter-to-the-editor appeared in numerous newspapers throughout Pennsylvania, Ohio, and Delaware.

She was also actively involved in writing to hospitals and trauma centers encouraging more active solicitation of organs for donation.

Amy's motto of "be all that you can be" continued to stick with her to the end. She registered for her fall semester, scheduled a room for September, and looked forward to returning to a more-normal life after her transplant. None of this was to come about for Amy. In May of 1994, she became critically ill. As a last attempt, she went to Los Angeles, California for a Living-Donor Lung Transplant (an experimental transplant using one lobe that would have come from each of her parents). Amy died early in the morning of the day the transplant was to occur.

She was just 19 years old and had many hopes and dreams . . . for life . . . for love . . . for the future.
